Tom Denney Nature Camp

In keeping with the Trust's plan to include environmental specialists in each year's orientation, the Four Winds Nature Institute conducted a two day program for the Tom Denney Nature Camp Staff. The Four Winds Instructors brought wonderful ideas and new games to our program.

We want to thank the Bolton Conservation Commission for again providing picnic tables for use by the campers and staff,

Rob Held for making sure the field was mowed in time for camp and our Health Consultant, Dr. Fitzpatrick.

The Tom Denney Nature Camp originally began as a two week program in 1976 and was renamed in honor of one of the Trust's founders in 1984. This was our 32nd year of bringing children and the environment together.

The dates for the 2009 Season are:

Staff Training:	June 22 - June 26
Session 1	July 6 – July 10
Session 2	July 13 – July 17
Session 3	July 20 – July 24
Session 4	July 27 – July 31
Session 5	August 3 – August 7
Session 6	August 10 – August 15
